Issuance of a new collector coin of the Republic of Armenia

2026-11-13

On November 13, 2026, the Central Bank of Armenia puts into circulation “Sevanavank” silver collector coin of the “Historical Doors” series.

“Historical Doors” Collector Coin Series – “Sevanavank”

The “Sevanavank” silver collector coin features ultra-high-relief engraving technology applied to both its obverse and reverse, further accentuating the beauty of the exquisitely crafted door created by skilled medieval Armenian artisans.
The historic door is preserved as a treasured example of Armenian cultural heritage at the History Museum of Armenia, where it remains under special state protection.

Obverse: the coat of arms of the Republic of Armenia.
Reverse: the door (1486) of the Holy Apostles Church in Sevanavank.

The coin is minted at the B.H. Mayer Mint, Germany.
